

To My Friends/Family/Fans:

I am writing to ask for help in paying for my new solo CD, "Bridging The Gap". The recording sessions will take place August 16-21, 2010 at Slot One Recording Studio in Ambler, PA – [www.Slot-1.com](http://www.Slot-1.com)

The album will have new music as I perform them solo on cello/guitar/voice. The last two albums have been heavily produced, and this year feels right for putting out an acoustic, solo CD. Songs you may have heard live with Ronstadt Generations and Lost In Holland include, "Promised Land," "Take My Words," "One Step," and "Hasten Your Row".

More information is below, but feel free to call, email or contact me via facebook if you have any questions. If you're not able to help out, please pass this email onto someone else who may be interested. Thank you so much for all your support in my musical journey. I can't tell you how much I am blessed for having so many great friends all across the US, Canada, and Mexico!

Sincerely,  
Michael G. Ronstadt, Cello/Guitar/Voice
